

WORKSHOP

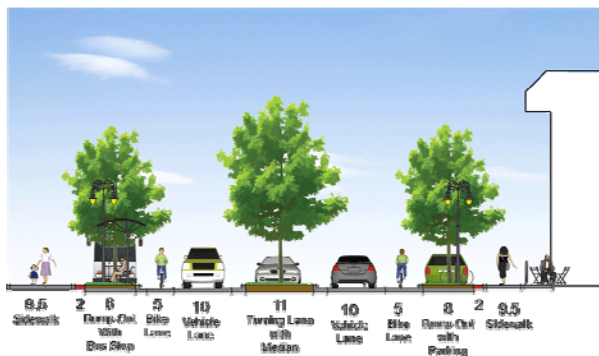

Bring your ideas and suggestions about needed improvements to Martin Luther King Jr. Street

Martin Luther King Jr. Street Vision.

**August 18 Workshop
6:00 – 7:30 PM
Riverside Family Center
2420 E Riverside Dr.,
3rd floor conference room**

During the recent Implementation Plan process, the UNWA neighborhoods developed an economically feasible development strategy for the use of available Tax Increment Finance (TIF) funds to be used within the UNWA / TIF District. Martin Luther King, Jr. Street was determined to be a priority project for the Department of Public Works (DPW) with construction anticipated during 2010.

Martin Luther King Jr. Street with bike lanes, medians, and on-street parking.

Your comments about the road design are needed NOW!

Community members, district business and property owners, local developers, and any other interested parties are encouraged to attend the workshop.

Martin Luther King Jr. placemaking plaza with new development.
