

# 5 Northeast Sector Goals

March 2009

## Goal - a

Utilize the vacant Toll Road open space as an amenity and identity landmark that draws travelers into the district and region.

## Description

- Develop the Toll Road open space as an accessible recreation space and Gateway landmark linked by pedestrian and bicycle paths to the other three sectors and to the city as well.

## Goal - b

Improve access to landlocked parcels north of the Toll Road exit.

## Description

- Develop additional connectivity between the landlocked parcels and adjacent uses.
